

# LT. GOVERNOR MARK ROBINSON IS TOO EXTREME FOR NORTH CAROLINA

**TOO  
EXTREME**

Lt. Gov. Mark Robinson is the presumed Republican gubernatorial nominee for 2024. Robinson speaks hate, sparks division, and has used his platform to spread harmful, anti-semitic conspiracy theories. His ideology is a threat to North Carolinians and our future. He is now raising money aggressively to advance his extreme agenda.

## **ANTI-SEMITISM:**

“This FOOLISHNESS about Hitler disarming millions of Jews and then marching them off to concentrations camps is a bunch of HOGWASH.”

“Black Panther” was a “fictional ‘hero’ created by an agnostic Jew and put to film by satanic marxist”...“How can this trash, that was only created to pull the shekels out of your Schvartze pockets, invoke any pride?”

“There is a REASON the liberal media fills the airwaves with programs about the NAZI and the ‘6 million Jews’ they murdered.

- LT. GOV. MARK ROBINSON

“...as for this not being a Christian nation. Yes, it is. If you don’t like it, I’ll buy your plane, train or automobile ticket, right up out of here, you can go someplace that’s not a Christian nation.”

“(Soros’s) grand schemes and evil visions” are “trying to destroy our nation.”

“Note to black folks: Till you learn how to work the system, the system will ALWAYS be working you. [...] It wasn’t ‘designed’ for the Jews either but damn if they haven’t learned how to work it.”
